Declass Review by NIMA / DoD

MILITARY COMMUNICATIONS INSTITUTE, MYTISHCHI, USSR

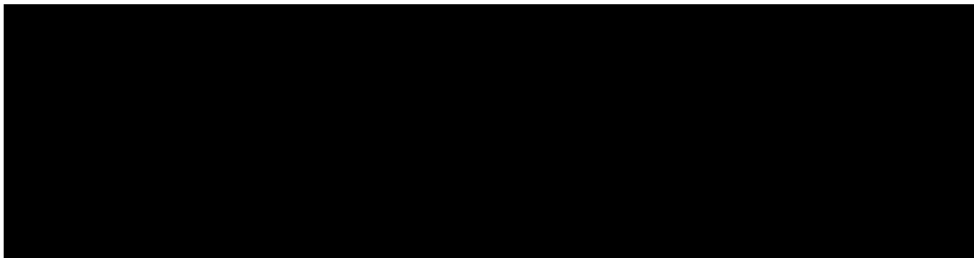

25X1A This memorandum is in answer to a request from OSI/P&E,  for an overlay sketch and description of the buildings comprising the Military Communications Institute, Mytishchi (near Moscow), USSR.

The requester supplied an enlarged aerial photograph of the installation, which was used as the base for the acetate overlay. The buildings were outlined and arbitrary numbers on the overlay were assigned to each of the buildings.

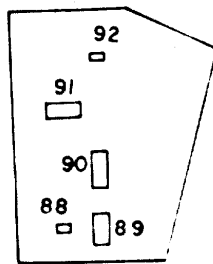

This overlay was delivered to the requester together with a report which listed by corresponding number the dimensions of the buildings and their probable functions.

This project was completed on a "crash" basis to meet a deadline, and the requester/^{was satisfied}with the originals of the enclosed thermo-fax copies.

Complete stereo coverage of the installation is not available. The following photographs were used:
